Veterans, Reservists or Guardsmen with an MOS or additional duties that fall in the fields of 68T- Animal Care Specialist or other related fields pertaining to the minimum experience requirements may meet the minimum qualifications for this position and are highly encouraged to apply. Additional Military Crosswalk information can be accessed at: https://hr.sao.texas.gov/Compensation/MilitaryCrosswalk/MOSC_MedicalandHealth.pdf

General Description:

The Field Veterinarian reports to the Region Director and is responsible for administering all animal health programs in the counties assigned by the Region Director. Coordinates and oversees the work of Animal Health Inspectors in disease program activities; assists in management duties and in supervising area operations in the absence of the region management.

Essential Job Functions:

- Coordinates, oversees, and provides input on the performance evaluations of Inspectors engaged in conducting testing and other animal health program activities as assigned by the Region Director.
- Contacts herd/flock owners within prescribed timeframes.
- Determines the extent of index herd/flock and/or adjacent herd or flock testing that is indicated.
- Completes herd/flock management documents and works with owners to gain agreement on plans.
- Provides procedural assistance and training to inspectors for collecting and submitting test samples for all program diseases and pests.
- Delivers group presentations on the agency's animal health programs, and maintains a positive presence in the local animal agriculture community.
- Performs emergency management response and other emergency management-related activities on behalf of the agency.
- Designs herd/flock plans that are specific and in accordance with policy.
- Assigns appropriate herd/flock follow-up tasks to supporting Inspectors.
- Interprets test results.
- Completes epidemiological investigations within prescribed timeframes.
- Checks information for accuracy and completeness, including epi reports, test charts, lab reports, etc.
- Continuously re-evaluates affected herds/flocks to assure that proper disease management practices are employed.
- Performs Foreign Animal Disease (FAD) response activities.
- Acts as the public liaison with industry groups.
- Submits routine reports in compliance with policy; completes special reports as directed.
- Performs special project assignments.
- Performs related work as assigned.

Minimum Qualifications:

- Doctor of Veterinary Medicine degree from an accredited college or university; Texas veterinary license, or eligibility for Texas license, required.
- Large animal experience preferred.
- Wildlife experience helpful.
- Must become certified as a Foreign Animal Disease Diagnostician (FADD) within the first year of employment (provided the required class is available within that year.)

Other: Ability to be "on call;" travel extensively within Texas and occasionally outside Texas; and, to work occasional overtime and non-standard work hours.

Knowledge, Skills and Abilities:

Strong skills required in both oral and written communication. Ability to plan and direct program activities and to coordinate and oversee the work of Inspectors and provided leadership. Ability to work in all types of environmental conditions. Knowledge of agency programs and regulations. Skilled in establishing and maintaining effective working relationships with other veterinarians, livestock owners, and others in promoting disease control programs. Bilingual (English/Spanish) communication skills helpful.

IMPORTANT: The TAHC is an emergency response agency. The Field Veterinarian position plays a key role in the agency's emergency management activities. As a first responder, this position is subject to participate in rotating temporary duty assignments away from the regular designated headquarters for up to two weeks at a time. This duty may involve working in adverse conditions; may require irregular working hours and overtime; and, may include duties other than those specified in the standard position description.

Other:

Must have a valid Texas driver's license and safe driving record.

Applicants may be subject to a driving record and criminal background check.

Employment of selected candidate is contingent upon the receipt of an acceptable criminal background check and an acceptable moving violation record from the Texas Department of Public Safety.

Note: Must have reliable transportation. Mileage reimbursed at current allowance rate.

How to Apply:

To submit your application for employment, follow the link provide below, then select Apply Online. Create and/or Login to your on-line applicant profile and electronically submit your State of Texas Application for Employment.

All applications must contain complete job histories, which includes job title, dates of employment, name of employer, supervisor's name and phone number and a description of duties performed. If this information is not submitted, your application may be rejected because it is incomplete. Resumes do not take the place of this required information.
