**General Description:**
Plans, organizes, directs, and administers all animal health programs within the Stephenville Region Office, located in the city of Stephenville, covering approximately 71 counties in West, Central and North Texas.

**Essential Job Functions:**
- Manages and directs all animal health program activities in the Stephenville Region.
- Makes hiring recommendations, manages and evaluates work performance, and recommends salary/personnel actions for a Field Veterinarian.
- Fulfills leadership role for the Stephenville Region in the agency’s emergency preparedness and response activities; maintains current knowledge of the agency’s role and responsibilities in emergency preparedness and response.
- Ensures compliance with regulations in all aspects of livestock market and slaughter plant inspections, and livestock inspections in the field such as dairies, feedlots, and swine operations.
- Ensures all phases of testing, market cattle identifications, and epidemiological investigations are complete and timely. Routinely performs field activities.
- Prepares and delivers educational presentations to industry, veterinary and community groups, as well as to agency staff and associates when requested.
- Meets with producers, market owners, and others stakeholders to address concerns and problems not resolved by Region staff.
- Maintains oversight of risk management programs within the Stephenville Region, including proper antigen controls and workers’ compensation duties.
- Prepares routine and special reports; monitors reports for accuracy, timeliness, and compliance with agency policies and procedures such as travel and telephone expenses and overtime accrual and use; manages the Region’s operating budget.
- Plays an active role in emergency management activities in the surrounding areas.
- Performs other related duties as assigned.

**Minimum Qualifications:**
- Doctor of Veterinary Medicine degree from an accredited college or university and Texas license (or ability to qualify for license within 6 – 9 months.)
- Experience in a small, mixed or large animal practice, or experience as a TAHC Field Veterinarian or USDA Veterinary Medical Officer required.

**Knowledge, Skills and Abilities:**
Ability to plan and direct all aspects of SV Region programs and administrative activities. Ability to train and supervise a field veterinarian. Ability to work in all types of environmental conditions. Knowledge of regulations, policies, and procedures related to the agency’s regulatory activities. Knowledge of livestock industries in Texas helpful. Skilled in the use of a computer. Must have effective oral and written communication skills; ability to establish and maintain productive and professional working relationships with staff, associates, and the public; and, strong organizational, leadership, and planning skills. Ability to travel and to adjust work hours and work schedule to meet workload priorities.
**JOB ANNOUNCEMENT**

**IMPORTANT:** The TAHC is an emergency response agency. The Region Director position plays a key role in the agency's emergency management activities. As a first responder, this position is subject to participate in rotating temporary duty assignments away from the regular designated headquarters for up to two weeks at a time. This duty may involve working in adverse conditions; may require irregular working hours and overtime; and, may include duties other than those specified in the standard position description.

**Other:**
Must have a valid Texas driver's license and safe driving record.
Applicants may be subject to a driving record and criminal background check.
Employment of selected candidate is contingent upon the receipt of an acceptable criminal background check and an acceptable moving violation record from the Texas Department of Public Safety.

**Note:** Must have reliable transportation. Mileage reimbursed at current allowance rate.

**How to Apply:**
To submit your application for employment, follow the link provide below, then select Apply Online. Create and/or Login to your online applicant profile and electronically submit your State of Texas Application for Employment.

All applications must contain complete job histories, which includes job title, dates of employment, name of employer, supervisor's name and phone number and a description of duties performed. If this information is not submitted, your application may be rejected because it is incomplete. Resumes do not take the place of this required information.
