# Sunset Advisory Commission Invites Public Input on the Texas Animal Health Commission

**Austin, TX** – The Sunset Advisory Commission is reviewing the mission and performance of the Texas Animal Health Commission (TAHC) and welcomes public comments on whether the agency is still needed and ideas to improve its operations and services. The Texas Sunset Act requires the Sunset Commission to periodically review TAHC and recommend whether to continue the agency and change state law to improve the agency's efficiency and effectiveness. The Legislature ultimately will decide whether to continue TAHC and adopt Sunset's other statutory recommendations. The Sunset Commission also may adopt management directives for TAHC that do not require statutory change.

The Sunset process has three stages. First, Sunset staff will evaluate TAHC, seek public input, and issue a report recommending solutions to problems found. Second, the Sunset Commission will hold two public meetings: a hearing on the staff report and the agency, and a decision meeting to adopt recommendations to the Legislature based on the report and public comments. Third, the Legislature will convene in January 2021 and will consider Sunset's statutory recommendations in a Sunset bill for TAHC.

Here are several ways to provide comments and suggestions to Sunset staff on TAHC's mission, operations, and services:

- Send an email to [sunset@sunset.texas.gov](mailto:sunset@sunset.texas.gov)
- Submit comments online at [www.sunset.texas.gov](http://www.sunset.texas.gov)
- Send a letter to Sunset Advisory Commission, Attn: TAHC, P.O. Box 13066, Austin, Texas 78711
- Call (512) 463-1300 to speak to Darren McDivitt, project manager of the TAHC review

Please provide your comments by December 1, 2019, to ensure Sunset staff can fully consider your input while conducting their review. Comments submitted before the staff report is published in 2020 will remain confidential.
